## Viewing Grades in Moodle

## Viewing Grades from the My Courses Personal Menu

You can view your current average in all of your courses from the My Courses Personal Menu by clicking the **Grades** link.

MS N	Voodle Student rofile - My Account - Dashboard - Grades - Preferences - Switch role to Log out	
Courses	2021 2020	Browse all courses 🖧

Each course you are currently enrolled in will be listed, along with your current average.

Courses I am taking					
Course name	Grade				
2022-2023-Moodle-Faculty-Certification	100				
2023SP-Moodle-101-for-Students					

## Viewing Grades Within a Course

To view all of your grades in a particular course, access the course and click **Course Dashboard** at the bottom of the **Contents** list.

Course Dashboa	ard

🖾 Assignment: Study Strategies	100	
ピ Assignment: Thinking Styles	100	
図 Assignment: Career and Resume Planning	90	
ビ Assignment: Test-taking Strategies	100	
$\mathcal{K}$ Activities total Simple weighted mean of grades. Drop 2 lowest values.	98	
Post Test		
ビ ACA 111 Post-Test	96	
${\cal K}$ Post Test total Simple weighted mean of grades.	96	
Qe Course total Weighted mean of grades.	97	

If your instructor has provided feedback, you will find it in the **Feedback** column.

The **Course total** is your current average in the course. Note that until the instructor finalizes grades at the end of the semester, the course total is simply an estimation of where you currently stand in the course.

Final grades are available in WebAdvisor and Student Planning at the end of the semester.
