WILSON
COMMUNITY
COLLEGE

SURGICAL TECHNOLOGY DEGREE PROGRAM (ST) Fall 2024 Admissions Policy:

Students are admitted to Wilson Community College in accordance with policies approved by the administration. Admission is not guaranteed to all applicants who apply to the Surgical Technology program. Completion of the curriculum does not guarantee success in passing the licensure exam. A surgical technology student must be admitted/readmitted to the Surgical Technology program in order to take surgical technology (SUR) courses for credit.

STEP I Application Process: *Deadline: March 15*

- A. Applicants must submit an admission application to Wilson Community College with an official high school transcript or equivalency and all post-secondary coursework. Currently enrolled high school students are to submit a partial transcript at the time of application. A final transcript must be submitted at the time of high school graduation.
- B. Applicants must submit all required documents and complete the admissions process, to be officially admitted to the college.
- C. Applicants must complete an Allied Health Intent Form available under Allied Health at www.wilsoncc.edu.

STEP II Test of Essential Academic Skills (TEAS): *Deadline: March 15*

Applicants who have completed Step I will schedule an appointment to take the TEAS by contacting Student Development at 252-246-1281 or 252-246-1276. Applicants are allowed to take the TEAS twice in a 12-month period at least 30 days apart. The highest TEAS score taken within the last two years will be used for ranking.

- A. Applicants will be required to pay a \$70.00 testing fee to the Business Office (F-101) effective July 17, 2023 cost is subject to change.
- B. Picture ID and payment receipt must be presented at the time of testing.
- C. Applicants who opt to take the TEAS at another institution must submit final TEAS scores by the March 15 deadline in order for them to be considered.
- D. Surgical Technology applicants must achieve a 50% on the overall adjusted score.

STEP III Program-Specific Requirements & Eligibility:

- Applicants must be eligible to enroll in ENG 111 and MAT 143 without needing a co-requisite course. If you have questions regarding eligibility please contact Allied Health at alliedhealth@wilsoncc.edu
- Applicants must have a grade point average of 2.0 or higher on all general education (non-SUR prefix) courses that are required for the Surgical Technology program.

STEP IV Conditional Acceptance and Ranking:

- A. Should there be more qualified applicants than space available, a point system will be used to rank applicants and determine selection for admission to the Surgical Technology program. The following items will be used in consideration for ranking:
 - TEAS Adjusted Individual Score.
 - Non-Surgical Technology (SUR) courses. If applicant has taken courses more than once, the highest grade will be used to award points.
 - Diplomas, Degrees, and Certification for a maximum of 2 points.
 - 3 points will be awarded to students currently enrolled at Wilson Community College.

All documentation for ranking is due by March 15. Documentation received after this date will not be considered.
- B. Qualified applicants will receive a letter of conditional acceptance in April. Enclosed with this letter will be a Certificate of Acceptance (COA), a physical form, and information to complete your criminal background check and drug screen with immunizations and how to upload it to Viewpoint Screening.
- C. COAs are due to Student Development (F-100) by May 1.

- D. Physical forms are to be submitted to Viewpoint Screening by May 15. Physical exams must be completed by a physician, nurse practitioner, or physician's assistant within 12 months prior to the first day of class.
1. Immunizations required:
 - a. Tetanus – Tdap within the last 10 years,
 - b. Measles, Mumps and Rubella (MMR) – 2 shots or a positive titer with results and date,
 - c. Hepatitis B (Hep B) – 3 shots or a positive titer with results and date,
 - d. Varicella times two or a positive titer,
 - e. Annual flu vaccine by October 31st,
 - f. Two-Step TB Skin test or proof of annual for two years. If last annual TB skin test is more than a year old a two-step will be required. Two steps must be done less than 30 days apart.
 - g. COVID-19 Vaccine – 2 part Pfizer, 2 Part Moderna, or 1 part Jansen

Immunizations may not be declined except by a written statement from the applicant's health care provider for acceptable exemptions which may include pregnancy or an allergy to the vaccine.

STEP V Final Acceptance Requirements:

Final acceptance will be determined by the Dean of Allied Health & Sciences based on the following conditions being met:

- A. Student must order and complete the Criminal Background Check, Urine Drug Screen and immunization tracking as required by all clinical agencies by June 1st for final admission.
- B. Applicants must be in good academic standing (not on academic warning or probation) for consideration for final admission.
- C. Students shall attend surgical technology student orientation during the summer before starting the program in the fall and uniforms shall be ordered at this time.
- D. Students must earn a "C" in all BIO and SUR courses.

Clinical Expectations:

Behavior must be professional at all times when in the clinical setting. The instructor and/or facility staff maintain the right to dismiss any student from the clinical setting due to unprofessional conduct or breach of HIPAA. If any facility prohibits the student from participating in the clinical experience, the student will be dismissed due to an inability to progress and complete the curriculum.

Students are required to complete a minimum of 120 cases in the first and second scrub roles to graduate from the program divided as follows: General Surgery (30 cases) and Specialty Cases (90 cases). Please see Surgical Technology instructor for more specific details.

SURGICAL TECHNOLOGY DEGREE (A45740)

The Surgical Technology curriculum prepares individuals to assist in the care of the surgical patient in the operating room and to function as a member of the surgical team.

Students will apply theoretical knowledge to the care of patients undergoing surgery and develop skills necessary to prepare supplies, equipment, and instruments; maintain aseptic conditions; prepare patients for surgery; and assist surgeons during operations.

Employment opportunities include labor/delivery/emergency departments, inpatient/outpatient surgery centers, dialysis units/facilities, physicians' offices, and central supply processing units.

Students of Commission on Accreditation of Allied Health Education Programs (CAAHEP) accredited programs are required to take the national certification exam administered by the National Board on Certification in Surgical Technology and Surgical Assisting (NBSTSA) within a four week period prior to or after graduation. This test is given the last day of class of the final Spring Semester.

For questions related to accreditation, students should contact:

CAAHEP · 9355 113th St. N, #7709, Seminole, FL 33775 · Phone: 727-210-2350 · Fax: 727-210-2354
